Red Cross is in need of Volunteers

The Ft Riley Red Cross office is in need of volunteers for their Board Positions as well as to fill various volunteer positions around the post. Volunteering for Red Cross is a very rewarding endeavor and also gives you great experience for your career and for your resume. If you already serve on the Board and/or other volunteer positions please help us to get the word out to your FRG groups, other organizations and friends. If anyone is interested in becoming a Red Cross volunteer they just need to call the office to inquire about what positions are open. The Red Cross can be reached at 239-1887. Positions vary in location and time required. Locations for volunteers include the Red Cross office, the hospital, the vet clinic and the JAG office.

*Be on the lookout for more
information coming soon on a new
Dental Clinic program.*

Because of the need to cut expenses, if you have not volunteered any hours since March this will be your last newsletter that will be mailed to you. You may still pick the newsletters up at the CAC meeting monthly. We realize that some volunteers take the summer off and if that is the case just please let the office know. Thank you.

For the month of June 50 Red Cross Volunteers turned in a total of 2176 hours. Thank you so much for your hard work.

Our Volunteer of the month R.T. who was nominated by the hospital – 2B. R.T. does an excellent job working with patients. He has been a great addition to the ward.

Just a reminder that youth volunteers in the hospital may not be in the building before 8 am or after 4pm.

Red Cross in need of Recipes

Red Cross is still seeking recipes from the Ft Riley community and their family members for the Ft Riley Cookbook.
